[Daisy's Destruction Video 42](#)

The thumbnail features a central pink, crescent-shaped mask with yellow eyes. It is surrounded by four small, square images: top-left shows a person's legs, top-right shows a person's torso, bottom-left shows a person's face, and bottom-right shows a person's legs. The text "Daisy's" is at the top and "Destruction @MR.DARKWEB" is at the bottom.

Possibly the worst video to ever surface the deep web, 'Daisy's Destruction' consisted of 3 little girls, Daisy, Eliza, and Cindy. Daisy was only 18 months old at the time of the video, Cindy was 9, and Eliza was 12. The video was around 45 minutes long and allegedly goes as is, two adults, a male and a female sexually and physically torture the girls, they use alligator clips on the girls to induce more pain. Cindy was the one who apparently got it the worse, she was beaten several times, even defecated on and also had her limbs severed with a machete. She didn't die of blood loss though but instead by strangulation, the other 2 girls miraculously survived, however because of the sexual abuse Daisy will never be able to have children. The creators of the video have since been caught and the video is now near impossible to find, hard to believe anyone would want to find it anyways.
